

UNITED FOR JUSTICE AND DIGNITY NATIONAL MIGRANT LABOR CONVENTION

SATURDAY, SEPTEMBER 7, 2013 LOS ANGELES, CA

- Do we want to spend almost \$50 billion to militarize the border?
- Do we want a new "Bracero" /Guest Worker program?
- Do we want to split up families and escalate the war on workers?

No!

We deserve more!

We need to fight for a humane and worker-centered immigration reform that eliminates the terror and anxiety in our communities, respects and protects the human rights of undocumented workers, and eliminates the injustices our families face.

Join us as we unite to demand that labor takes a stand against anti-worker proposals for "immigration reform!"

When: 9/7/13, 9am-6pm;
